

FELDMAN ENDORSEMENTS ROLL IN

Dear Friend,

With the 2014 Legislative Session now complete and Primary Election voting to begin next month, it is time to transition into campaign mode. I have begun walking door-to-door in neighborhoods throughout District 15 to meet as many constituents as I can. I appreciate you taking the time to speak with me because the opportunity to get feedback directly from you is invaluable.

The campaign to retain my seat in the State Senate continues to gain early momentum and attract widespread support across the State. I earned early endorsements from several organizations including the **Maryland State Education Association, Montgomery County Education Association, Sierra Club and Maryland League of Conservation Voters.**

In recent weeks, the following organizations have endorsed my candidacy for the State Senate: **Montgomery County Career Fire Fighters, NARAL Pro-Choice Maryland, Equality Maryland, AFL-CIO, AFSCME-MD, SEIU, Montgomery County Public Schools Retirees Assoc., Montgomery County NOW, Progressive Maryland, Hispanic Democratic Club of Montgomery County and CASA In Action.**

I will provide you with periodic updates as additional endorsements are announced. For a complete list, click [here](#).
